Affordable Housing Video

Catalog #A17
$25.95—ULI Members
$29.95—List

This 12-minute video shows how local public officials and developers can work together to topple barriers to affordable housing production at no extra cost to local taxpayers. Produced by the Urban Land Institute and the National Association of Home Builders in cooperation with the American Planning Association, the U.S. Conference of Mayors, and the Council of State Community Affairs Agencies, the video takes viewers to affordable housing projects throughout the United States. It details specific techniques and cost savings, many of which involved regulatory changes.

See for yourself: For a graphic demonstration that housing can be attractive and affordable, order your copy today.

How to Order
Just call ULI's Publications Orders Department at (202) 289-3380 or 289-3381 to request your copy of the *Affordable Housing* videotape. Available in VHS format only; nonreturnable once opened.
